

2017 Regional Summits

Taking Michigan Forward with Team-Based Care

October 10, 17, & 24, 2017

Purpose:

Each interactive regional summit will facilitate collaboration and shared learning focused on efficient team-based care in the primary care setting. Together physicians, practice team members, Physician Organization leaders and partners will address clinical and office operations aimed at meeting the diverse needs of the Michigan patient population.

Intended Audience:

The summits are intended for Michigan State Innovation Model (SIM) Patient Centered Medical Home (PCMH) Initiative participants and partners including physicians, practice teams, care managers, care coordinators, Physician Organization leaders, Community Health Innovation Region (CHIR) partners, and health plans.

Summit Topics:

Note that the same agenda is offered at each summit and will cover a range of topics including:

- 2017 PCMH Initiative a Year in Review: Successes & Areas for Future Development
- Multidisciplinary Team-based Care: Patient Outcomes and Experience
- Utilizing Data to Impact Population Health Management
- Exploring Resources & Tools to Drive Actionable Change
- A Call for Champions: Approaches to Build from Within
- Mechanisms to Identify & Target Interventions for Effective Delivery of Team-based Care
- State Innovation Models: The Link to Payment Reform
- Taking the Leap: Transitioning to Advanced Payment Models in Michigan

PCMH Initiative Learning Activity Requirements:

Practice: The 2017 Regional Summits have been designed to support practice team learning, therefore attendance and participation as a team will support the practice in meeting the 2017 PCMH Initiative Practice Learning Activity Requirement of completing eight (8) hours of Initiative led learning activities. This event will be designated for a total of six (6) learning activity hours. In order to obtain all six (6) hours a practice must participate as a team to include a Care Manager or Coordinator, a Primary Care Provider, and one other staff member such as a practice manager or quality improvement director.

Care Manager and Coordinator: Care Managers and Care Coordinators that attend and participate in the full day event will be able to claim six (6) contact hours to support the 2017 PCMH Initiative Care Management Learning Requirement. This credit can be claimed if attending with or without other practice team members.
